DECISION NOTICE 2009 – 6

Re: Application for Microwave Spectrum

Background:

On May 18, 2009, the Commission received an application from IslandCom Telecommunications Ltd. for approval, pursuant to Section 32 of the Telecommunications Ordinance 2004 and Section 3 of Telecommunications and Frequency Licensing Regulations 2005, for the use of Microwave spectrum in the 10.7 – 11.7 GHz band following the channelization plan based on the ITU-R F.387-8/9, channel 2, f1 10755MHz and f1' 11285 MHz, and channel 4, f1 10835 MHz and f1' 11365 MHz. The channels are 40 MHz wide and will be used for IslandCom Fixed Point to Point Microwave Networks in the Turks and Caicos Islands.

COMMISSION DECISION

Based upon the information contained in the application, and the additional material provided by the research of the Commission, the Commission is satisfied that the Spectrum is free and clear and available for use. Thus, the Commission has determined that the application is approved as filed.
