Re: FM Broadcasting Spectrum License

1st March 2010

**Telecommunications Commission
Turks and Caicos Islands**

Notice is hereby given that during the 3 month period beginning March 1, 2010 and ending May 31, 2010, The Turks and Caicos Telecommunication Commission will not action, consider nor approve any new applications for FM Broadcasting Spectrum license. During this period The Commission would be conducting a comprehensive review and assessment on the existing FM Broadcasting band. The Commission is therefore requesting that all active radio stations contact The Commission during this 3 month period to register their stations and settle any outstanding amounts owed to the Commission.
