Apollo Mobile Telecommunications Inc Application for Network Licence

December 29, 2020

Apollo Mobile Telecommunications Inc. has applied for a Telecommunications INS-2 Internet Services Provider (ISP) license to establish a WiFi network to provide internet services throughout the Turks and Caicos Islands over the unlicensed frequency bands in the 2.4 GHz and 5 GHz bands.

The Commission provides the following particulars:

1. The Commission is of the view that this transaction requires approval pursuant to Part III Section 11 of the Chapter 14.02 Telecommunications Ordinance (2018).
2. The proposed applicant is not Telecommunications Commission's Licensee.

The Commission hereby advises that the above application is available at our Office for Public Scrutiny and, requests that any party having any comments, make their views known in writing within 21 days of the publication of this notice in the gazette. Comments must be delivered by hand to the Commission at their office at Business Solutions Building, Leeward Highway, Providenciales, Turks and Caicos Islands, or by mail to P.O. Box 203 or electronically via email at consultations@tcitelecommission.tc on or before 3.30 p.m. of the deadline herein.
