

DECISION NOTICE 2019-5

January 14, 2021

Sita Information Networking Computing B.V. Application for Network & Spectrum Licence

BACKGROUND

In April 2019, Sita Information Networking Computing B.V. (“SITA”) submitted a network and spectrum license application to establish and, operate an aeronautical data communications system (datalink air-to-ground) in Providenciales using the 131.7250 MHz and 136.9750 MHz frequencies.

On, June 26, 2019, the Turks and Caicos Islands Telecommunications Commission (“the Commission”) issued Public Notice 2019-4, inviting comments on the application.

COMMISSION DECISION

On August 7, 2019, the Commission at its Board sitting reviewed SITA’s application and granted approval pending fulfilling the Islander criteria as per the Telecommunications Ordinance. Upon receiving no comments on Public Notice 2019-4, SITA was granted three (3) extensions for this service in September 2019, January 2020, and March 2020, while it sought to fulfill the Islander requirement as part of the condition for the issuance of its “permanent licence”.

The Commission hereby note that the above notices can be viewed at its office located at 872 Business Solutions Building, Leeward Highway, or on its Website:
