## TURKS AND CAICOS ISLANDS

### TELECOMMUNICATIONS (FEE STRUCTURE) REGULATIONS 2022

*(Legal Notice 35 of 2022)*

**MADE** by the Acting Governor under section 65 of the Telecommunications Ordinance.

#### **Citation and commencement**

1. These Regulations may be cited as the Telecommunications (Fee Structure) Regulations 2022 and shall come into operation on 16<sup>th</sup> May 2022.

#### **Interpretation**

2. (1) In these Regulations—

“fixed public telecommunications network or service” means a network or service that provides users the ability to transmit signals over a distance for the purpose of communications where the end points are fixed;

“full telecommunication network or service” means a network or service that provides users the ability to use all the telecommunication services defined as “telecommunications service” in section 2 of the Ordinance;

“gross revenue” means revenue of reporting year received by, or due to the licensee and its affiliates, from whatever source derived before any deductions for expenses, discounts, returns or offsets of any kind;

“internet networks or service” means a network or service that provides users the ability to access the internet;

“mobile virtual network operator (MVNO)” means a wireless telecommunications network or service provider that does not own the network infrastructure over which the services are provided;

“private telecommunications network or service” means a network or service for the provision of telecommunications by a person for the exclusive use of that person and not for resale, directly or indirectly;

- “public mobile telecommunications network or service” means a network or service that provides users the ability to communicate with a mobile device;
- “public radio paging network or service” means a network or service that provide users with the ability to send messages to the subscriber over a paging service;
- “quadruple play providers” means the grouping together of four of the telecommunications network and services licences, except a full telecommunication network or service licence, in Schedule 1;
- “regulatory fee” means the regulatory fee referred to in section 47 of the Ordinance;
- “studio to transmitter link (STL)” means a radiocommunications link used for the transmission of broadcast material from a studio to a transmitter;
- “special licence” means a licence for the use of spectrum issued to a person who wishes to carry out an experiment in relation to radiocommunications or to cover an emergency or special event;
- “submarine cable” means a cable laid beneath the sea to carry telecommunications;
- “subscriber television” means a business or organisation that uses a telecommunication system for broadcasting and receiving moving pictures and sound over a distance;
- “triple play provider” means the grouping together of three of the telecommunications network and services licences, except a full telecommunication network or service licence, in Schedule 1;
- “value added service” means a service added by a person on the network of a telecommunications network or service licensee to provide additional services with separate equipment.

(2) Unless otherwise specified, terms used in these Regulations shall have the meanings assigned to them under the Ordinance.

### **Application for telecommunications network or service licence**

**3.** A person applying for a telecommunications network or service licence shall pay the appropriate fees specified in Schedule 1, as follows—

- (a) on filing of the application, the non-refundable application fee;
- (b) on grant of the licence, the initial licence fee;
- (c) after the first calendar year, the renewal of licence fee, annually;
- (d) the regulatory fee, annually.

#### **Application for spectrum licence**

4. A person applying for a spectrum licence shall pay the appropriate fee specified in Schedule 2, as follows—

- (a) on the filing of the application, the non- refundable application fee;
- (b) on grant of the licence, the initial fee;
- (c) after the first calendar year, the renewal of licence fee, annually.

#### **Application for special licence**

5. A person applying for a special licence shall pay the appropriate fee specified in Schedule 3, as follows—

- (a) on the filing of the application, the non- refundable application fee;
- (b) on grant of the licence, the initial licence fee.

#### **Miscellaneous fees**

6. Any fees not covered under regulation 3, 4, or 5 which may be applicable to a licence shall be paid annually by the licensee in accordance with the fees listed in Schedule 4.

#### **Time for payments of fees**

7. (1) Any initial fee payable pursuant to these Regulations shall be paid within two weeks of the licensee being informed in writing of the grant of licence.

(2) The renewal of licence fee shall be payable in each year following the grant of the licence.

#### **Revocation**

8. The Telecommunications (Fee Structure) Regulations 2020 (*Legal Notice 128 of 2020*) are hereby revoked.
