AUTHORIZATION

In accordance with the provisions of section 35 of the TCI Telecommunications Commission (Ordinance 2018), the person/company herein is licensed to operate the licensed services within the assigned frequency(ies) in the Turks and Caicos Islands, subject to the terms and conditions contained in the adjoining Telecommunications Network license.

This Spectrum licence may be revoked in the event that the Licensee does not commence, use, or operate the radiocommunication service or radiocommunication apparatus authorized by this licence within nine (9) months of the effective date.

The assigned radio frequency bands are allocated on a non-exclusive, non-interference and non-protected basis.

Otis Chuck Morris, Minister responsible for Communications
TCI Telecommunications Commission
