Re: Wymara Ltd.

Application for Land Mobile Radio Licence

Wymara Ltd. has applied to the Telecommunications Commission for a Land Mobile Radio Licence to establish and operate a private radiocommunication system to facilitate communication between company employees. The two-way radio system is intended to utilize the following frequency channels below to support its communication activities:

- **458.4000 MHz @ 25 KHz**
- **463.4000 MHz @ 25 KHz**

The Commission provides the following particulars:

1. The Commission is of the view that this transaction requires approval pursuant to Part III & IV of the Chapter 14.02 Telecommunications Ordinance (2021).
2. The proposed applicant is not Telecommunications Commission's Licencee.

The Commission hereby advises that the above application is available at our Office for Public Scrutiny and requests that any party having any comments make their views known in writing within 21 days of the publication of this notice in the gazette. Comments must be delivered by hand to the Commission at their office at Business Solutions Building, Leeward Highway, Providenciales, Turks and Caicos Islands, or by mail to P.O. Box 203 or electronically via email at consultations@tcitelecommission.tc on or before 3.30 p.m. of the deadline herein.
