

DECISION NOTICE 2025-2

January 29, 2025

Re: American Airlines - Application for Network & Spectrum Licence

American Airlines submitted an application for a spectrum licence to support radiocommunication services at the Norman B. Saunders International Airport in South Caicos, for its aeronautical air-to-ground and ground-to-ground operations. The following frequency channels are being assigned for this purpose:

131.275 MHz @ 25 KHz
460.800 MHz @ 12.5 KHz
465.800 MHz @ 12.5 KHz

COMMISSION DECISION

On January 3, 2025, the Turks and Caicos Islands Telecommunications Commission (“the Commission”) issued Public Notice 2025-1, calling for comments on the application.

On January 16, 2025, the Board approved American Airlines application for a Network & Spectrum Licence, upon no comments received.

The Commission hereby notes that the above notice can be viewed at the office located at the Business Solutions Building, Leeward Highway, or on our website: www.telecommission.tc
